SPG M15B	1731022415	Black		

DES insert - large for cables without connectors - double membrane

- ▶ For high number of **non-terminated cables**
- ▶ Grey and black colours available
- ▶ UL94V0 for both colours

The SPG M and SPP M inserts enable a high number of cables to be installed in the DES splittable frames.

The cable is pushed through the front membrane, whilst the second membrane increases the strain relief and liquid resistance.
